

BLANK DRILL DIAGRAMS PAGE

Copy and use this page to create diagrams for the drills you create using Robo-Pong 2050 or 1050. See the Robo-Pong 1050/2050 Owner's Manual for example diagrams of drills that come with the robot and an explanation of the drill notations. For each drill, not the type of spin to the left of "ROBOT" and the Head Angle to the right of "ROBOT". If you save the file on your PC, write down the file name underneath the diagram.
