

Re-Open Safely and Quickly

with the Murdock® EZ Wash-N-Go!™
Hand Wash Station!

Wash-N-Go!™

The Murdock EZ Wash-N-Go! provides hand washing capabilities outside of restrooms in schools, businesses, or any public location! It is designed for retrofit applications and features a universal mounting bracket for fast and easy installation.

MODEL NO. A171W SERIES

RETROFITS EASILY INTO EXISTING SPACES.

The Wash-N-Go™ was designed to quickly and easily add hand washing capabilities wherever there is a water fountain! The durable stainless steel construction is ideal for high-traffic areas, and stainless steel is one of the easiest materials to clean and sanitize.
