

A50HL Secure Variable Angle Wall Mount For Monitors 32"-65"

Most Secure Solution on the Market

- Integrated dual lock and key security prevents unauthorized removal or tampering
- Steel covers prevent access to mounting screws for added level of security
- Variable viewing angle, up to 55° of pivot, depending on the size of TV
- Universal design fits monitors from 32"-65" with VESA patterns from 100x100mm through 400x400mm

Ideal Solution for the Hospitality Market

In-room solution allows just enough manipulation by the guest to attain a perfect viewing angle while maintaining the highest level of security and tamper resistance

VARIABLE VIEWING ANGLE

15" Extension

TV can be pulled out and swiveled to achieve up to 55° of pivot (depending on TV size) and retracts to less than 3" from the wall.

ANTI-THEFT & ANTI-TAMPER SECURITY

Security Covers

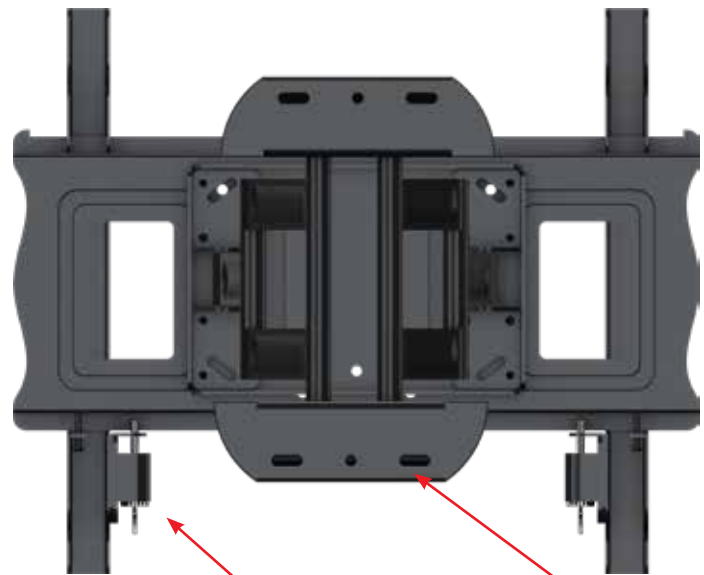

Block access to monitor attachment points and prevents removing or tampering

Proprietary Lock & Key Security

One-touch lock system prevents removal of TV. Provides a deeper level of security than standard security screws. Laser cut keys can not be duplicated

6-Point Wall Connection

Attach to wall backing with up to 6 bolts for a long lasting and secure installation
