Welcome Video / Screen

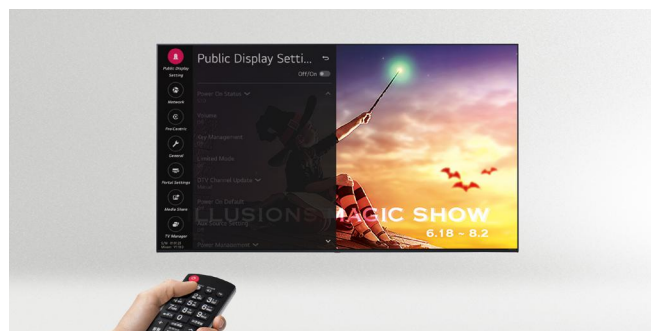

With the capability to display several images, Commercial Lite TVs allow for a greater variation of greeting messages in hotel rooms which make customers feel more welcome and cared for.

IR Out

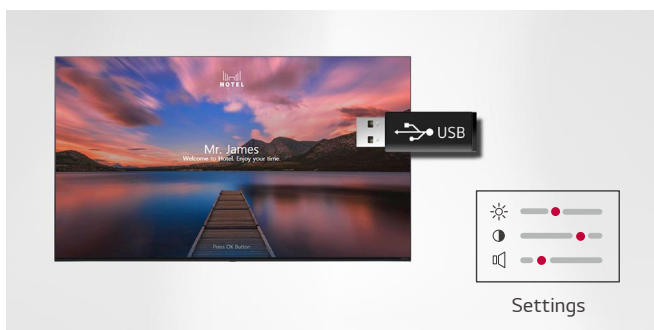

Using the interactive set-top box, LG Commercial TVs can be controlled with a single remote control.

* This feature may have a restriction depending on the TV models.

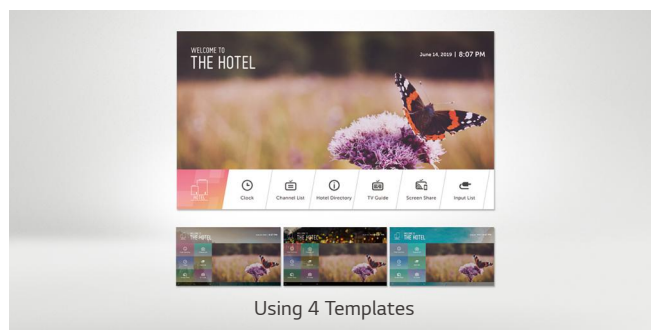

Public Display Mode (Hotel Mode)

From channel selection to volume level, you can control the TV settings in business areas. It also enables you to restore default settings, as required, on the TVs.

USB Cloning

USB data cloning makes managing multiple displays more efficient for optimal operation. Instead of setting up each display one by one, data can be copied to a USB for one display and can be sent to the other displays through a USB plug-in.

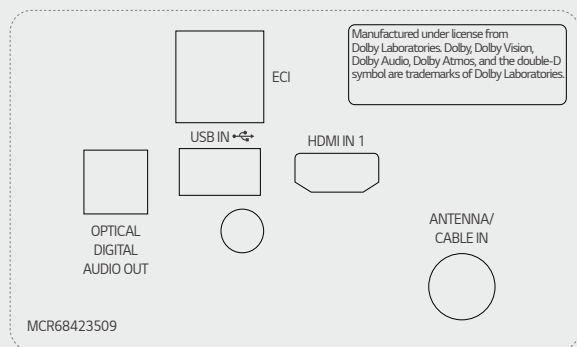

Quick Menu

Now LG provides the new Quick menu (ver. 5.0), making it easier and more user-friendly than the last version. The home menu solution has been upgraded in a big way with the addition of the new Hotel Promotional Video Creation Tool.
