

Weight Capacity: 100 lb. | 45.5 kg

Low Profile Ultra-Slim Swingout Mount

Features

- 1 Provides three options for swingout arm placement, allowing the mount to swing out from the left, right, or center
- 2 Low profile, ultra-slim swingout flat panel mount collapses to just 1.5 in. from the wall
- 3 15° of downward tilt
 - Extends 30 in. from the wall
 - 180° of swivel
 - Universal mounting pattern up to 630 x 526 mm
 - Designed for today's slim line flat panels

The AM100 is an ultra-slim mounting wall plate that provides three options for the swing arm placement, allowing the mount to swing out from the left, right, or center. The swingout arm extends 30 in. from the wall and provides 15° of downward tilt. The lightweight aluminum mount collapses to just 1.5 in. from the wall. Cable management channels are built into the arm to keep power and cables protected when pulling or pushing the display.

Flat panel mount collapses to 1.5 in. from the wall

Expands flat panel displays up to 30 inches from the wall

Designed to offer 15 degrees of downward tilt for today's slim line flat panels
