

## SPECIFICATION

The Sound Rise Hotel is a custom designed guest-room alarm clock radio based on the award winning Sound Rise. Guests can enjoy their favourite songs streaming wirelessly through Bluetooth, and charge portable devices using the two 2.1 Amp USB sockets conveniently located on the top of the unit. Sound Rise Hotel is packed with hotel and guest friendly features and an upright design so it won't take up valuable space on the night-stand.

- Two 2.1 Amp USB charging ports located on the top of the Sound Rise for easy access.
- Bluetooth wireless audio playback.
- Attached 3.5mm line-in cable on rear and FM radio.
- Easy to use single alarm with sliding switch for OFF / SET / ON.
- Security lanyard and PSU security guard.
- Display dimmer switch on the SNOOZE / DIMMER bar to easily control display brightness.
- The minimalist and contemporary design will fit in with almost any decor.
- The vertical design means that the Sound Rise has a small footprint, ideal for the nightstand.
- Back-up battery.
- Max volume limited.

## SPECIFICATION
