## High-Performance with webOS

LG webOS platform enhances user convenience with intuitive GUI and simple app development tools.

## Conformal Coating

In various places the UH5J-H series is unable to avoid exposure to environments containing dust, humidity, etc. which may hamper performance over time. The conformal coating on power board reduces these risks by protecting UH5J-H series from salt, dust, iron powder, humidity, etc.

## Mobile Content Management

You can create a store profile and get template recommendations using the Promota\* app. Users can customize templates as needed and easily create and manage content not only on PCs but also on mobile devices.

\* LG Promota is can be downloaded from the App Store and Google Play store. (Not available for Europe/CIS Region)

\* In Korea, the name is not Promota, but Mustard.

## IP5x Certified Design

The IP5x Dust-Proof Certification ensures that the product is protected from dust, reducing the risk of performance degradation.

## Compatible with AV Control System

The UH5J-H series has supported Crestron Connected® for high compatibility with professional AV controls to achieve seamless integration and automated control\*, boosting business management efficiency.
