

CHASING THREADS

CHASING THREADS

We love travel, adventure, crafting, doing, seeing and living. We are always planning the next adventure, while taking time to mark and record the experiences of where we've just come from.

We are Chasing Threads.

Chasing Threads is a collection of unique, stylish and functional travel accessories that can be stitched and personalised.

Our beautifully crafted products are designed with the adventurer in mind, to create accessories that will be like no-one else's. With a simple stitch: X marks the spot; embellishing your passport cover, notebook or tote bag with your unique travels across the planet.
