

**March 9th, 2018 (Vancouver, BC.) –**

Custom technical apparel maker Champion System Canada is pleased to announce some exciting news. Effective from the beginning of 2018, ownership of the company's Canadian division has transferred from Champion System USA to Tribe Solutions Inc.

Tribe Solutions have been in partnership with Champion System for the last 3 years. As Champion System's largest global customer and having cohabited here in BC during this period, we truly appreciate the product strengths and operational excellence of Champion System. We are excited to bring Champion System Canada back under Canadian ownership with a renewed focus upon servicing our clients across the country.
