RAILROAD

For Railroaded Attach Fabric Here

CHECK HERE FOR FABRIC TO BE APPLIED AT FACTORY DISCRETION.

Yardage requirements are based on 54" wide, plain material. If COM has a repeat and/or is less than 54" wide, additional yardage may be required. Please consult the Yardage Calculations chart on page two. COL square footage requirement is based on full cow hides. If calf or half hides are specified, additional square footage and seaming may be required.

The fabric above is positioned over the drawing to indicate correct direction and position. The fabric side facing out indicates face side for upholstery. I authorize QUINTUS to apply this material as I have indicated on this form. Without specific instruction, fabric will be placed at the discretion of QUINTUS.

Yardage requirements are based on 54" wide, plain material. If COM has a repeat and/or is less than 54" wide, additional yardage may be required. Please consult the Yardage Calculations chart above. COL square footage requirement is based on full cow hides. If calf or half hides are specified, additional square footage and seaming may be required.

ADDITIONAL INSTRUCTIONS -

Notes:

- All Cheniles and most silks will require knit backing. QUINTUS can coordinate this service for you in Los Angeles.
- Use of calf hides and cow half-hides may require extra seaming and additional square footage. Please contact your showroom or QUINTUS for more information on specific items.
- High Pile Fabrics: When using high pile fabrics, please be aware of the fabric 'smiling' at the seams or on a welt.
 - Blind Seams: It is possible that a 'mohawk' or rough look can occur when the plain seaming catches high pile irregularly, so a contrast welt or cording is recommended.
 - Self Welt: Self welt of high pile fabrics IS NOT normally recommended. You can take a pencil and wrap a fabric on the bias to understand the look. It is best to use a contrast welt with high pile fabrics.
