

ENJOY
FLOWERS

Beginning next Thursday, you will receive
one-of-a-kind bouquets that are as original as you.
Crafted with farm fresh flowers from eco-friendly
farms in Colombia, this Valentine's Day gift will
last longer than any other (just like us).

This printable card is brought to you by the Enjoy Flowers team, it is for personal use only. Print quality is dependent on your printer and will look best on a laser printer, which you can find at your local office supply store.

How To Print Your Card:

- 1.** Download the PDF and save to your desktop.
- 2.** Choose heavyweight printer paper.
- 3.** Select the double-sided printing option.
- 4.** Cut along the cut-lines.
- 5.** Sign and send with love.
