Description Orb-3 Elemental Basics pairs our powerful Lake & Pond Enzymes with a natural molecular energy source that streamlines water maintenance.

Formulated for the professional applicator as well as the home pond owner, Orb-3 Elemental Basics naturally & efficiently keeps pond water at its best.

Directions Dilute recommended dosage 1:10 with pond water. Disperse product evenly over pond surface using a hand-held or mechanical sprayer.

Usage Rate

Initial: 1 gal per acre-foot

Bi-Weekly: 1/2 gal per acre-foot

For Best Results Apply when ambient temperature is 50°–90° F; dissolved oxygen level is over 1.0ppm; pH is 6 – 8; alkalinity is less than 100ppm.

Treat consistently using an automatic feed system.

Proper aeration & more dilution upon application will enhance product performance.

Shelf Life Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months.
