

Nature's Technology  
At Work in Your World®

Orb-3 Solutions natural enzyme technology is non-hazardous, non-toxic, & non-flammable, making them safe for the environment & those who use them. Complement pool/spa treatments with: enzymes for water quality & clarity, phosphorus reduction agents, antifoam & cleaners for decks, furniture & equipment.

Pool & Spa

**ORB-3**®  
SOLUTIONS

## Ready to Use Enzyme Cleaner

Biodegradable  
Leaves no slippery residue  
Safe on water-safe surfaces

**Description** Orb-3 Enzyme Cleaner combines environmentally-safe surfactants with our broad-based enzyme technology to lift & degrade soils without the use of harsh acid or caustic additives.

Orb-3 Enzyme Cleaner dissolves dirt & grime without depositing harmful chemicals into pool water. Minimize wear & tear on your pool & spa accessories with Orb-3 Enzyme Cleaner.

**Directions** Allow 3 – 5 minutes contact time; clean with a brush. Rinse if necessary.

**For Best Results** Use a scrub brush to achieve a deeper clean. Mix with warm water if possible. Increase contact time to enhance product performance. Use multiple times for old or heavy build-up.

**Special Instructions** Do not mix directly with sanitizers or other chemicals.

**Shelf Life** Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months.
