Description Orb-3 Enzyme Cleaner combines environmentally-safe surfactants with our broad-based enzyme technology to lift & degrade soils without the use of harsh acid or caustic additives.

Orb-3 Enzyme Cleaner dissolves dirt & grime without depositing harmful chemicals into pool water. Minimize wear & tear on your pool & spa accessories with Orb-3 Enzyme Cleaner.

Directions Mix recommended dosage with water; allow 3 – 5 minutes contact time; clean with a brush. Rinse if necessary.

Usage Rate 4 ounces per gallon of cleaning solution desired.

For Best Results Dilute as directed. Use a scrub brush or power sprayer to achieve a deeper clean. Mix with warm water if possible. Increase contact time to enhance product performance. Use multiple times for old or heavy build-up.

Special Instructions Do not mix directly with sanitizers or other chemicals.

Shelf Life Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months.
