How It Works

Orb-3 Enzyme Pet Clean-Up naturally cleans pet soils and reduces odors on soft and hard surfaces.

Directions

Remove solid waste such as feces or vomit; blot urine or other liquid with a clean cloth. Spray surface until wet including cracks or crevices. Blot again or scrub area. May rinse with water.

For Best Results

Use hot water when available. After applying, wait 5-10 minutes for cleaner to penetrate grime. Let surface dry thoroughly before use.

Shelf Life

Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months.
