

Care & Packaging Instructions / Crystal Cubic Candleholders

Failure to follow these instructions will result in your bond being held.

Step 1: Place the crystal candle holder into the bubble wrap bag provided. Ensure the correct size bag is being used.

Step 2: Fold the top of the bubble bag so the candle holder is completely covered.

Step 3: Place the wrapped candle holder in the box provided.

Step 4: Place the box in the container provided.

****These crystal cube tealight candle holders are extremely fragile. Any chips will be considered a damage and bond will be held.****
