

Care & Packaging Instructions / Flower Stands Tall

Failure to follow these instructions will result in your bond being held.

Step 1: Empty the water.
Place the flower stand in
the bubble bag provided

Step 2: Fold the top
corners of the bag
towards the center to
cover the top of the
vase.

Step 3: Slide another
bubble bag over the
top so the stand is
completely covered.

Step 4: Lay it flat in the
box provided.
Alternating where you
position the top and
bottom so they fit well
