## Care & Packaging Instructions / Glass Cube Candleholders

Failure to follow these instructions will result in your bond being held.

Step 1: Remove the candles from the holders, allocate cardboard box or bubble bag provided. Ensure the correct size is being used.

Step 3: Close the cardboard box and fold the bubble bag in half to secure the items.

Step 2: Place candleholders into the carboard box or bubble bag provided.

Step 4: Place all of items neatly into the container provided.
