

Valutek Anti-Skid Polypropylene Shoe Cover

Part Number: VTSHCVAS

Description: Valutek's disposable anti-skid SPP shoe cover is manufactured with 100% non-linting, non-woven spunbond polypropylene fabric with stitched seams and sprayed latex anti-skid treads on the bottom for safety. The shoe covers are lightweight, strong and durable. All Valutek shoe covers are tested and manufactured in ISO compliant facilities under Valutek inspection and stringent process control to ensure Valutek quality standard and product specifications compliance.

Application: As part of the **Valutek Macrotek product family**, this product is recommended for use in a cleanroom Class 10,000+ (ISO 7+) critical environment. It is also commonly used for protecting against dirt, grime and certain dry particulates in nonhazardous environments.

Color Option: Blue
