

10 Kinds of Peanut Butter Sandwiches to Try

Peanut butter is a favorite snack of ours here at MIMOSA. It's packed with protein and pairs well with all sorts of fun foods. **Here are 10 peanut butter-based sandwich pairings!**

1. **Classic Peanut Butter and Jelly** — The timeless combination of peanut butter and jelly (grape, strawberry, raspberry, etc.) on bread. You can also substitute your favorite jam here, too.
2. **Peanut Butter and Banana** — Slices of ripe banana paired with peanut butter for a creamy and fruity twist.
3. **Peanut Butter and Honey** — A sweet and nutty sandwich made with peanut butter and drizzled honey.
4. **Peanut Butter and Marshmallow Spread** — A heavenly treat made by spreading your favorite marshmallow spread and peanut butter on bread.
5. **Peanut Butter and Apple** — Thinly sliced apples (of your favorite variety) complement the creamy peanut butter for a refreshing and crunchy sandwich.
6. **Peanut Butter and Bacon** — Add a few crispy bacon strips to your peanut butter sandwich for a savory-sweet combination.
7. **Peanut Butter and Nut Butter** — Double up the protein by adding different kinds of nut butters to your sandwich. Almond butter and cashew butter are just a couple of options.
8. **Peanut Butter and Chocolate** — Satisfy your sweet tooth with a peanut butter and chocolate sandwich using chocolate spread or chocolate chips.
9. **Peanut Butter and Pickles** — Surprisingly delicious, the tanginess of pickles pairs well with the richness of peanut butter.
10. **Grilled Peanut Butter** — Treat yourself to a warm and melty sandwich by grilling your peanut butter creation on the stovetop or in a panini press.

*You can always get creative and experiment with different spreads or toppings to bring your own unique peanut butter sandwich combinations to life! **Have a favorite we didn't mention here or one you want to try, let us know!***
