

PRODUCT CARE & MATERIALS

CHARM BRACELETS

Size: fits 3+
Chain:16.5cm
Extension Chain: 3cm

Materials:

- Brass chain with high quality silver plating
- **NO** lead, nickel or cadmium,
- E-coated for anti tarnish
- Beads: zinc alloy, silver plated base metal, enamel coating, acrylic beads, glass beads

Care:

- Our jewellery is e-coated but they don't like getting wet!
- Lots of love can slightly tarnish your jewellery, but that's okay, a silver cloth with help shine it up like new!

Testing:

Our jewellery and accessories are tested to meet or exceed EU reach and or US safety standards for children's products.
CPSIA
ASTM F2923
CA PROP 65 and Illinois
