Artist's Notebook

Buffleheads or “Dippers” have a multitude of colors on their heads. Try different colors to create natural variation.

Painting Instructions

1. Prep the entire decoy in accordance with the decoy painting instructions, prime with gray Parker Decoy Primer. Draw lines using a pencil.
2. Paint body White (2) and Black (5), and tail Smoke Gray (28).
3. Paint head with (5), (7), or (66) per your preference.
4. Paint bill with Blue Gray (29).
5. Paint White patch on head using multiple coats.
