Artist's Notebook

Paint the thin White parts of the speculum first. Finish with the Royal Blue.

Painting Instructions

1. Prep the entire decoy in accordance with the decoy painting instructions, prime with gray Parker Decoy Primer. Draw lines using a pencil.
2. Paint the back and side pockets Smoke Gray (28).
3. Paint the tail and rump Black (5) and the chest Rust (17) or (37).
4. Paint the head Green (1) or Woody Green (66). Once dry paint White (2) ring.
5. Paint the bill Green Gold (11).
6. Use painter's tape to paint the speculum with White (2) and Royal Blue (69).
