## Artist's Notebook

Don't be afraid to get creative with your pattern and embellish certain elements like the speculum.

## Painting Instructions

1. Prep the entire decoy in accordance with the decoy painting instructions, prime with gray Parker Decoy Primer. Draw lines using a pencil.
2. Paint the head, chest, and side pockets using Tan (8).
3. Paint the back, tail, and crown of head with Timber Brown (34).
4. Paint the bill with Medium Gray (13). Once dry apply single Black (5) stripe.
5. Paint in the speculum with the pattern of your choice applying White (2), Green (1), and Cedar Brown (10) in order.
