

Redhead Hen

Color Matrix

2	White	
5	Black	
28	Smoke Gray	
65	Hen Brown	

Artist's Notebook

Consider using Medium Gray (13) on some hens and Smoke Gray (28) on others to create natural variation in your rig.

Timber Brown (34) is also a good substitute for Hen Brown (65).

Painting Instructions

1. Prep the entire decoy in accordance with the decoy painting instructions, prime with gray Parker Decoy Primer. Draw lines using a pencil.
2. Paint the back, sides, and bill with Smoke Gray (28)
3. Paint the chest, tail, and head Hen Brown (65).
4. Paint in thin White (2) stripe approx. 1/3 up the bill. Finish end of bill with (5).
