Artist's Notebook

This is a simple and effective paint pattern on what is typically a very difficult hen to replicate. Enjoy the process!

Painting Instructions

1. Prep the entire decoy in accordance with the decoy painting instructions, prime with gray Parker Decoy Primer. Draw lines using a pencil.
2. Paint the side pockets using Cedar Brown (10).
3. Paint the top of the head, neck, back, and tail/rump with Bison Brown (4).
4. Paint the cheeks and chest River Bottom (30).
5. Paint the bill Blue Gray and once dry, use a small round brush to paint the thin White (2) lines. Finish the tip of the bill using Black (5).
