

# Fresco Golf Handcrafted Belt Display Program

Our belt display program allows you to conveniently present and offer our custom belts at your shop. Our belt displays are available in 10 and 20 belts. Your customers will be measured by your staff using our provided fitting belt strap. Our belts are shipped in size 43".

We provide the professional cutting tools and training necessary to custom fit every customer without the need to stock all different sizes.

This is a wonderful personalized service to offer your clientele.
