LABORATORY-GROWN DIAMONDS

GIA QUALITY VERIFICATION

As part of Lightbox's quality requirements, statistically selected Lightbox laboratory-grown diamonds are examined by GIA, Gemological Institute of America, to verify they are laboratory-grown diamonds and meet Lightbox's assured quality standards as below.

YOUR LIGHTBOX QUALITY GUARANTEE

Your Lightbox stone is inscribed with our official mark of quality. This document detailing its cut, color and clarity, along with your receipt of purchase, serves as the product guarantee.
