

SIZE GUIDE

Already have a ring that fits? Use this PDF to determine your size. Simply follow the instructions below or visit my Instagram for a step by step visual guide.

- 1. PRINT** Be sure to print at 100% and ensure 'scale to fit' is NOT selected.
- 2. CONFIRM** Compare the scale with a ruler to ensure accuracy.
- 3. MEASURE** Place the ring over one of the circles below and match the inside edge of the ring to the circle nearest in size. The letter that fits best within the circle is your ring size.
- 4. SEND** Take a photo of the ring over the correct size and email it to hello@rhiannonsmith.com.au or note down the letter / measurement in MM and forward on via email.
