★ You must unscrew the RETAINER in order to measure the dome.

How To Measure For Your Order

Example: **FLANGE** 1-1/4"

1 You will need to take a separate measurement of each flange of both outer & inner dome.

Example: **FLANGE** 1-1/2"

Include the **FLANGE** in measurement.

2 Measure the width and the length of **OUTER** dome or **SINGLE** dome.

Example: **33.25 X 49.25**
