

MEN'S BARBELLS

"They're great! More stout, more solid than any bar I've ever used. Just drop them once and you know you have something special in your hands, they don't "ding" like other bars we've used. They also have a serious grip. Some people like a softer grip, but for the style of lifting I do, having a serious grip is a must."

- Chris Lindley, Owner of Endorphin

The RAGE barbell line comes with a 3 year warranty (some restrictions may apply). Should your bar fail to function (spin, bent bar, etc.) we will replace your barbell.

KNURL DETAIL

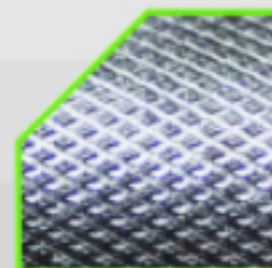

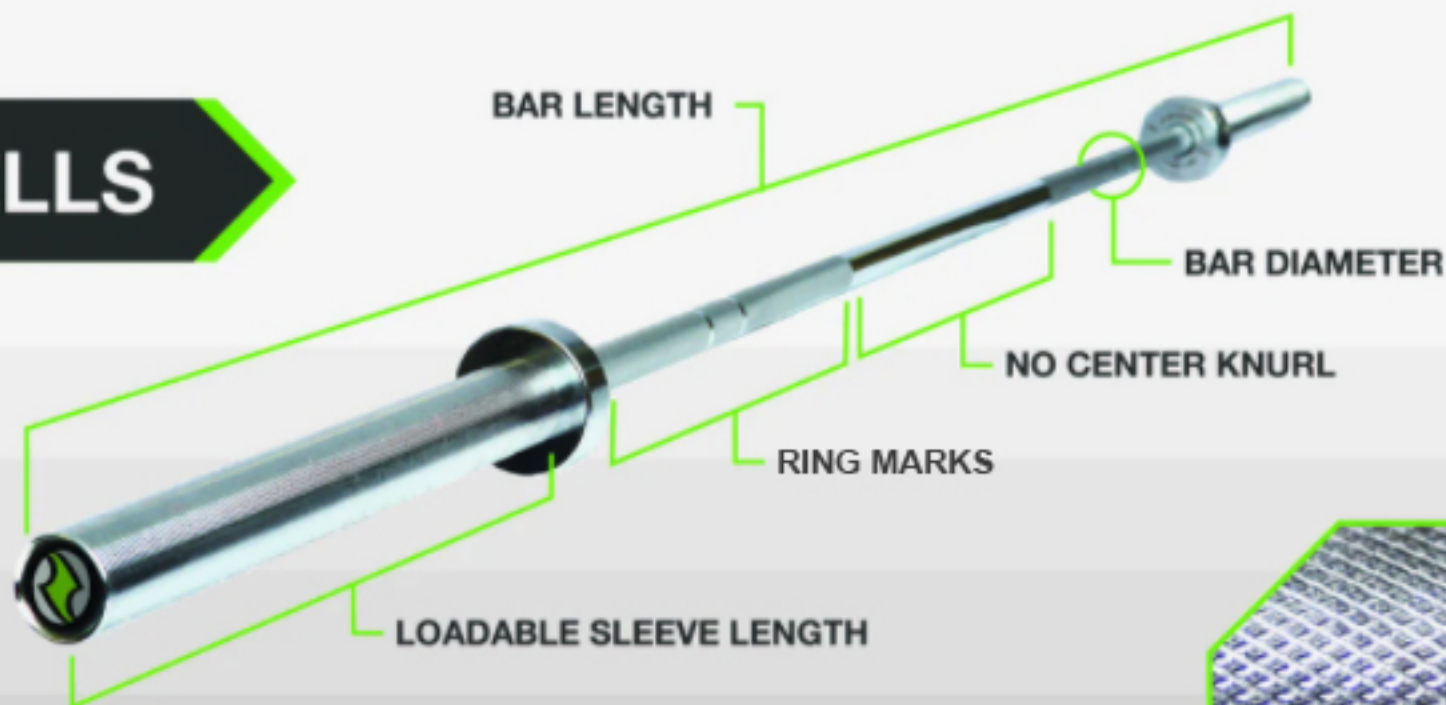

MODEL	WEIGHT	DIAMETER	LENGTH	LOADABLE SLEEVE LENGTH	CENTER KNURL	RING MARKS	SHAFT FINISH	TENSILE STRENGTH	WEIGHT CAPACITY	BUSHING/ BEARING
Invictus 2.0	20kg/ 44lb	28mm/ 1.1"	220cm/ 86.5"	415mm/ 16.25"	Yes	IWF	Hard Chrome	216k PSI	1500lbs	Needle Bearing
Elevation 2.0	20kg/ 44lb	28mm/ 1.1"	220cm/ 86.5"	415mm/ 16.25"	Yes	IPF	Magnesium Phosphate	216k PSI	1500lbs	Copper Bushing
