El juego de replicar

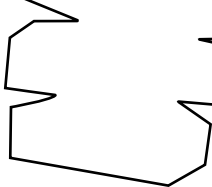

A stylized illustration of a hand holding a white paper strip with a black border. The strip contains the text 'El juego de replicar'. A soccer ball icon is positioned on the right side of the strip. The hand is drawn with yellow outlines, and there are blue and yellow abstract shapes in the background.

LÁMINAS QUE ESTIMULAN
LA HABILIDAD VISUAL

imanix.com

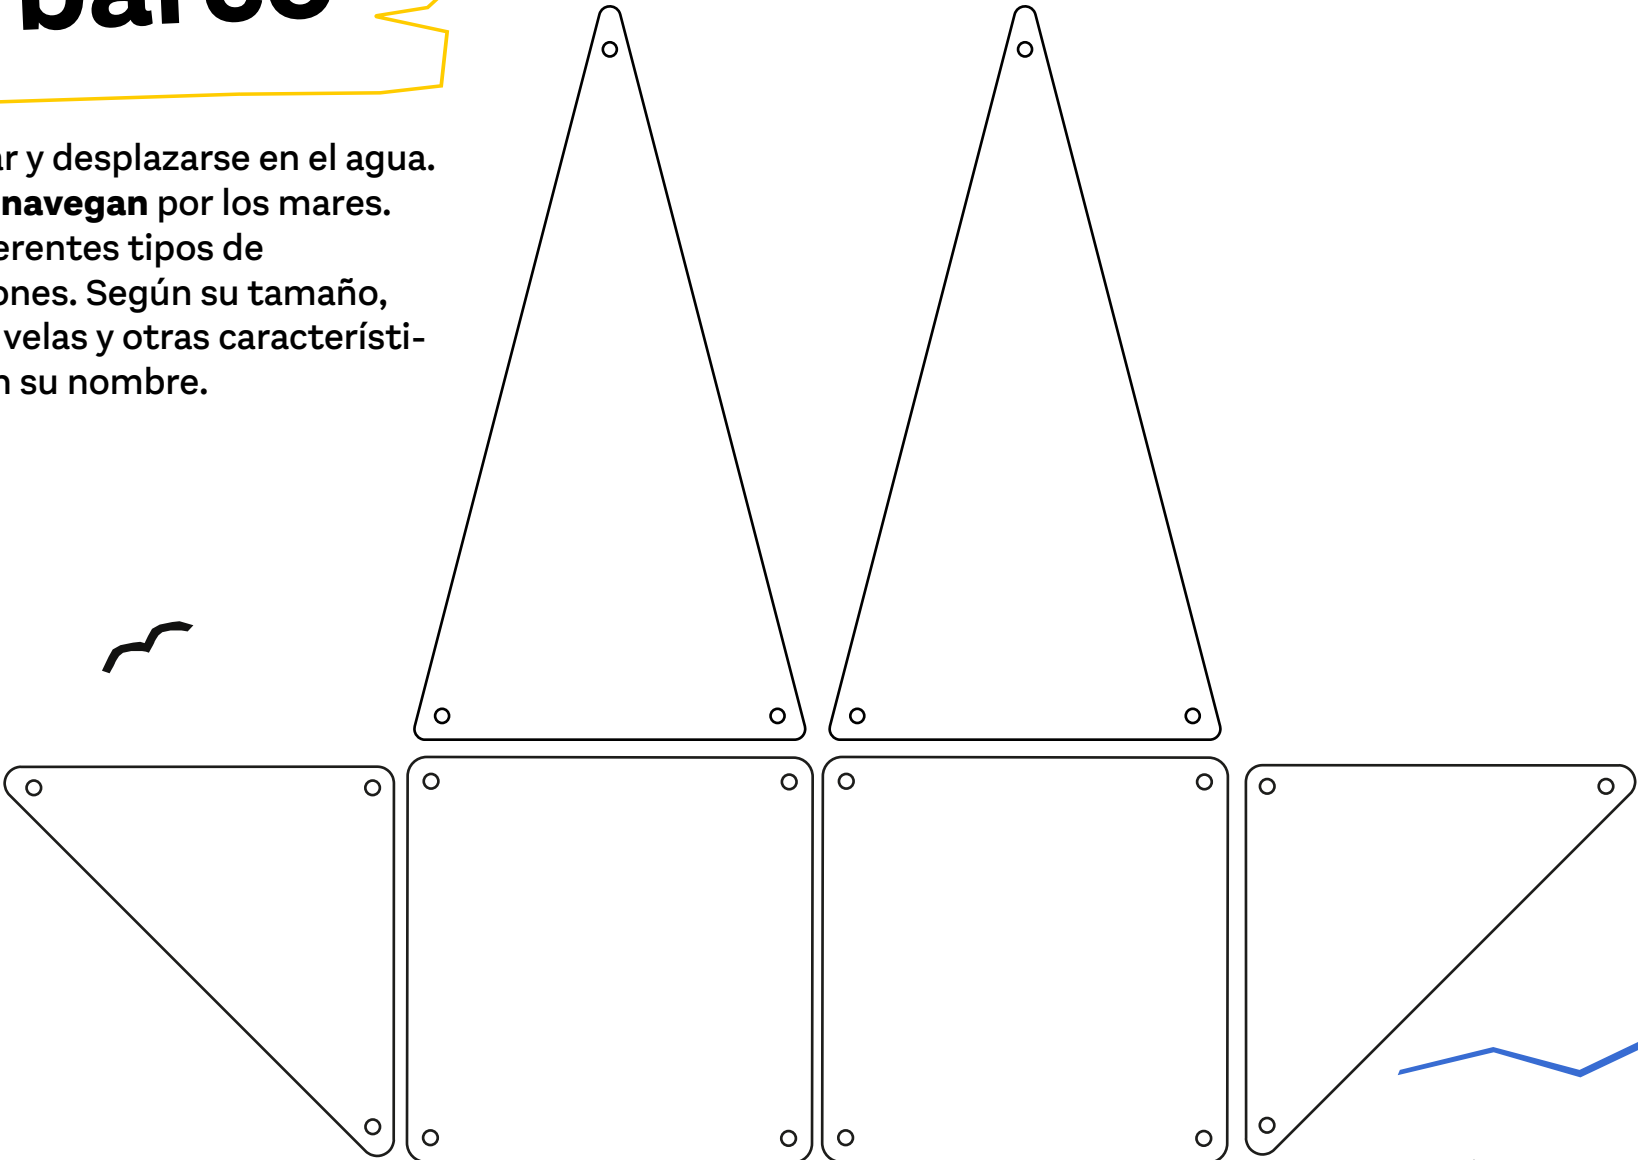

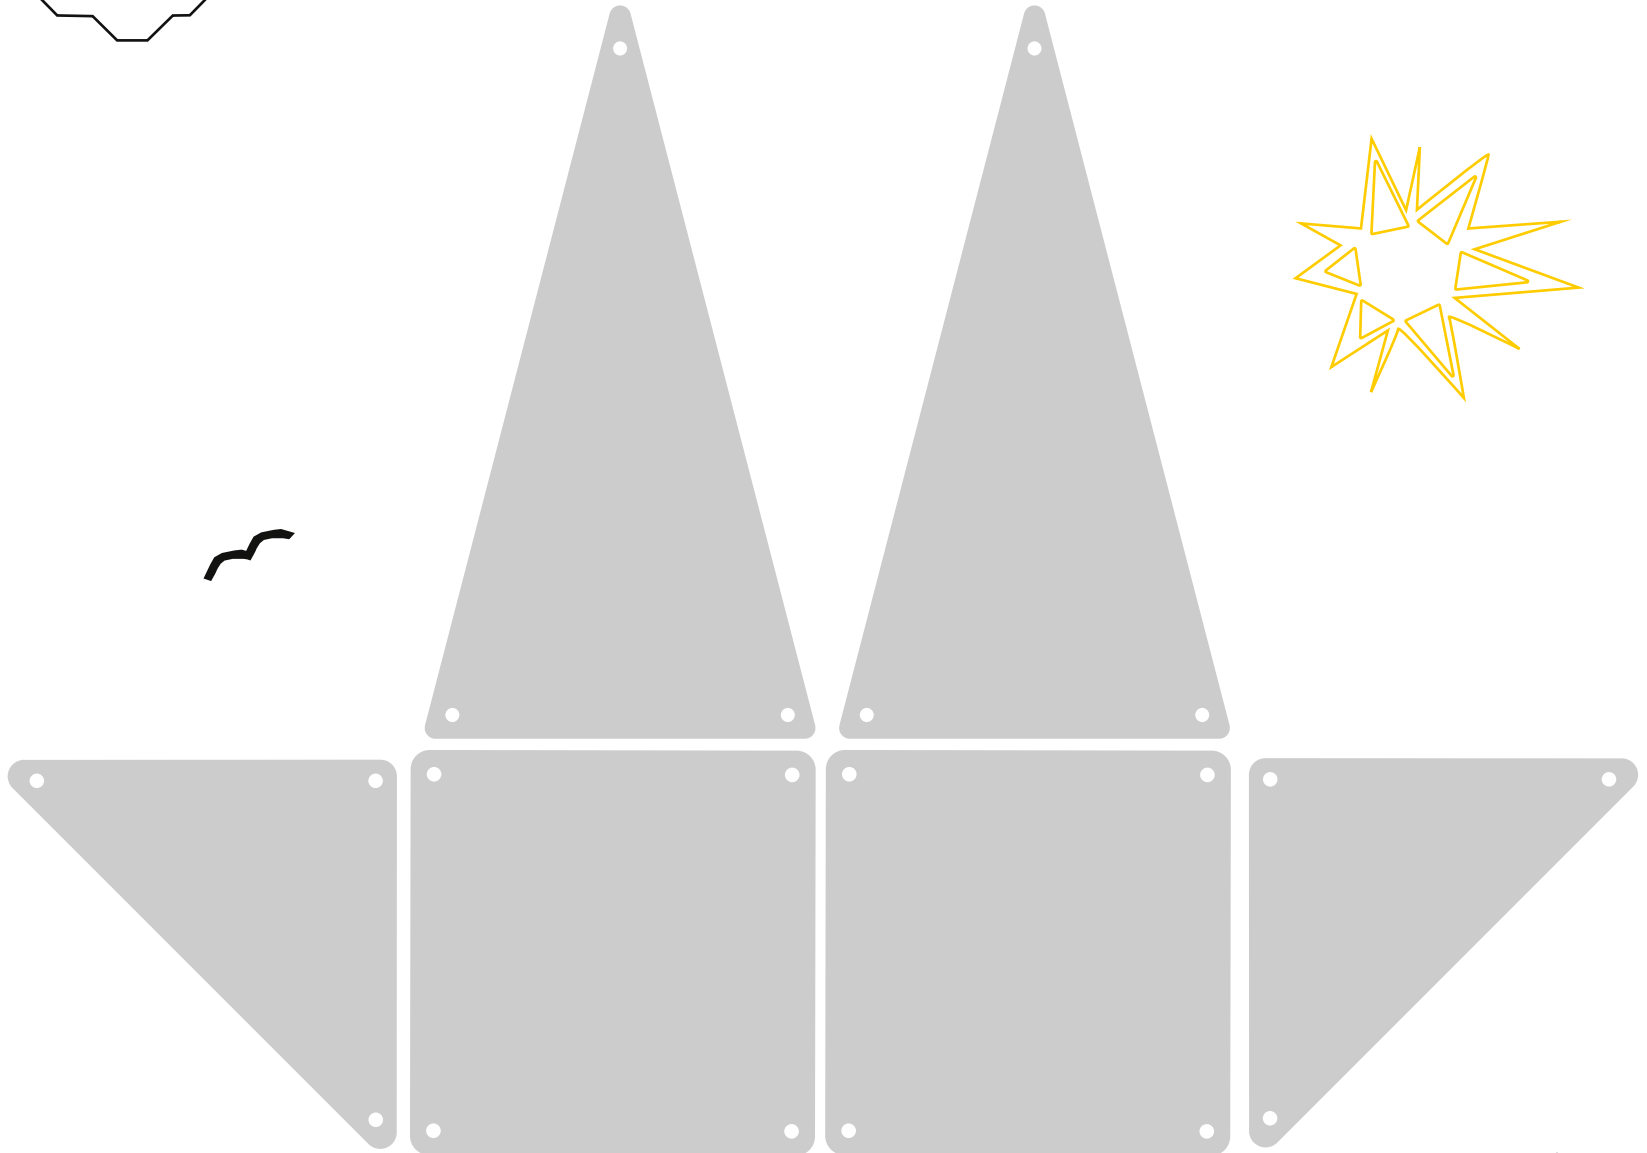

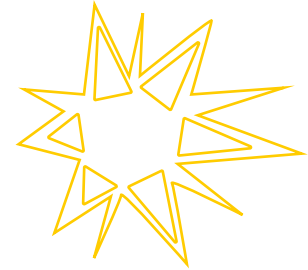

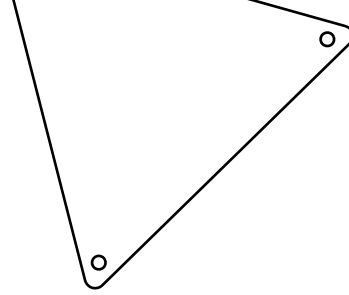

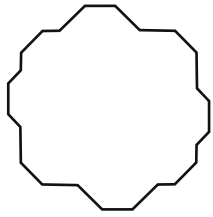

**Desafío nivel
principiante**

Un barco

puede flotar y desplazarse en el agua. Los barcos **navegan** por los mares. Existen diferentes tipos de embarcaciones. Según su tamaño, número de velas y otras características, reciben su nombre.

La ballena

es el animal **mamífero** más grande de todos.

Elas respiran aire como nosotros, por lo que deben salir a la superficie del mar.

Esa agua que expulsan cerca de su cabeza es vapor que botan al exhalar.

Los faros

son torres ubicadas cerca de la costa.
Antiguamente, mediante señales de luz,
**avisaban a los navegantes para que no
chocaran contra los acantilados** y zonas
escarpadas.
