

NOTE: You must have the Adobe Acrobat Reader installed to bring up the Poster option below. This method will not work if you print from a web browser tab. Download the free Acrobat Reader here: <https://www.adobe.com/acrobat/pdf-reader.html>

Go to File > Print or click the printer icon to bring up the printing options

Select 'Poster' option and set 'Tile Scale' to 100%. Click 'Print.' You will then tape together the printed pages.
