

Don't forget to catalog your symptoms and track your recovery.

Congratulations on completing another 30 days on the Restore Kit! Simply continuing to take the herbal formulations is helping to build your foundation of immune support and microbiome health. Here's your monthly opportunity to check in and see what changes you've noticed lately with your recovery.

As usual, let our team know if you have any questions or concerns regarding the Restore Kit formulations or diet guide. We are here to guide you towards your best health!

The Restore Kit Course

Remember, the Restore Kit is more than just the 4 formulations you are taking. It's a holistic approach to better health that incorporates powerful natural supplements with education and support to help you see the most impact.

You can access your course in 2 ways

1. **The Restore Kit Resource Page** - You can navigate the course at your own pace **via the Education section** [of the Restore Kit Resources Page.](#)
2. **Email** - Follow along in the sequence that you receive the lessons by email. We've timed them as close as possible to when we expect you'll need the information contained in each email.

If you would prefer **not** to receive the Restore Kit course by email, you may **unsubscribe by clicking on this link:**
