

Barbell Gun Rack

Description

Barbells are an essential tool for any gym, but unfortunately they do take up a lot of space. With the Bench Fitness Barbell Gun Rack storing your barbells will no longer be an issue. The Bench Fitness Barbell Gun Rack is a convenient, space saving design that comes in two capacities, 6 and 12 bars. Not only is the Bench Fitness Barbell Gun Rack a convenient solution for storing your barbells, it's also the coolest looking storage method for keeping barbells.

Made from 5mm steel, the Bench Fitness Barbell Gun Rack is designed using our Built Strong philosophy. The Bench Fitness Barbell Gun Rack is also fitted with 5mm high density plastic to protect your barbells from damage.
