

Bumper Mount Land Mine

Description

Landmine attachments usually take up quite a bit of space and take time to attach to a rack. The Bench Fitness Bumper Landmine solves this issue in a convenient space saving manner. Designed to fit inside any Olympic standard bumper plates, the Bench Fitness Bumper Landmine can be quickly and easily setup and just as quickly be disassembled and stored. The Bench Fitness Bumper Landmine sleeves fits all Olympic barbells, ensuring it can be used in any gym.

Built Strong as only Bench Fitness can, the Bumper Landmine will take whatever you can throw at it for years to come.

Features

- Space-saving design eliminates common landmine attachment bulk
- Fits seamlessly inside any Olympic standard bumper plates
- Quick and easy setup and disassembly for efficient storage
- Compatible with all Olympic barbells
