

# CORE 2 Tier 1.1M Storage Rack

## Description

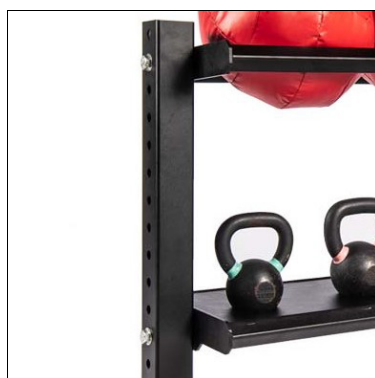

Our Core range live up to their name, by being at the Core of what every gym needs.

In any strength and conditioning gym, space is always a factor due to the vast range of equipment to choose from. Our Core 2 Tier Modular Storage Rack is the perfect solution for this issue. The Core 2 Tier Modular Storage Rack is, as the name suggests, completely modular. Choose from Kettlebell shelf, Wall Ball Shelf or DB shelf or a combination of two. The Core 2 Tier Modular Storage Rack is also available in 2 sizes, 1.1m and 1.8. This type of adjustability makes the Core 2 Tier Modular Storage Rack best in class when it comes to adjustability and personalization.

Built Strong as only Bench Fitness can, the Core 2 Tier Modular Storage rack will take whatever you can throw at it for years to come.
