

# CORE Adjustable Bench

## Description

Our Core range live up to their name, by being at the Core of what every gym needs.

Every gym needs a bench. The Core Adjustable Bench is our brand new and improved adjustable bench. At Bench Fitness we value customer feedback and we used the feedback on our old adjustable bench to provide you with a even better and affordable adjustable bench. The Core Adjustable Bench comes with a minimized gaps between cushions, rubberized feet to protect flooring, an even stronger more durable design and the ability to be stored upright to assist with space saving. The Bench Fitness Core Adjustable Bench also offers 7 levels of adjustment on the back rest and 2 levels of adjustment for the seat.

Built Strong as only Bench Fitness can, the Bench Fitness Core Adjustable Bench will take whatever you can throw at it.
