

CORE Adjustable Bumper Pin 2.0

Description

Our Core range live up to their name, by being at the Core of what every gym needs.

As you progress through your strength journey and get stronger one thing that will become more and more necessary is more weights. Weight plates take up quite a lot of space when storage is not available. The Core Adjustable Bumper Pin 2.0 solves this issue in a convenient way. The Core Adjustable Bumper Pin 2.0 is compatible with all Bench Fitness Core rigs and racks and is quickly removable and completely adjustable. With a removable locking pin, the Core Adjustable Bumper Pin 2.0 is solid and unmovable once installed.

Built Strong as only Bench Fitness can, the Core Adjustable Bumper Pin 2.0 will take whatever you can throw at it for years to come.
