

CORE Dip Attachment

Description

Our Core range live up to their name, by being at the Core of what every gym needs.

In the world of strength training and bodyweight training there are few movements as effective as the dip. The Core Dip Attachment is compatible with all Bench Fitness racks and rigs and is quick and easy to install and remove. With its compact design the Core Dip Attachment is very convenient to store as it does not take up much space.

Built Strong as only Bench Fitness can, the Core Dip Attachment will take whatever you can throw at it for years to come.
