

Description

Our Core range live up to their name, by being at the Core of what every gym needs.

When it comes to strength training and rehabilitation, unilateral movements are essential. The CORE Rack Mount Landmine is an essential tool in taking your training to the next level. Quick and easy to install and remove, the CORE Rack Mount Landmine is compatible with all Bench Fitness racks and rigs.

Built Strong as only Bench Fitness can, the Core Rack Mount Landmine will take whatever you can throw at it for years to come.
