

# CORE Multi Bar 1800

## Description

Our Core range live up to their name, by being at the Core of what every gym needs.

Bodyweight training and gymnastics are a very important tool in the strength development and one of the most important movements in these fields is the pull up. The Core Multi Bar 1800 easily attaches to Bench Fitness Core rigs. The Core Multi Bar 1800 has 3 bars at varying heights to allow for a variety of pull ups. Measuring at 1800mm the Core Multi Bar 1800 is suitable for gyms with bigger spaces and rigs.

Built Strong as only Bench Fitness can, the Core Multi Bar 1800 will take whatever you can throw at it for years to come.
