

CORE Sandwich J Hooks

Description

Our Core range live up to their name, by being at the Core of what every gym needs.

Solid, Strong, Safe, these three words perfectly sum up the Bench Fitness Core Sandwich J-Hook. Build solid and strong to stand the test of time in the toughest environment. Lined with extremely high density, durable plastic the Core Sandwich J-Hook is able to carry enormous weights while still protecting the knurling of your barbell. Compatible with all Bench Fitness Basecamp and Core racks and rigs, the Core Sandwich J-Hook will take your training to the next level.

Built Strong as only Bench Fitness can, the Core Sandwich J-Hook will take whatever you can throw at it for years to come.
