

## Description

Our Core range live up to their name, by being at the Core of what every gym needs.

Space in the gym is always a premium. The Core Trawler Arm will allow your Bench Fitness rig or rack to have additional functionality without taking up any added floor space. Easily attached to any Bench Fitness Core rig or power rack, the Core Trawler Arm creates an easy attachment point for Olympic rings or any number of additional accessories from the Bench Fitness range.

Built Strong as only Bench Fitness can, the Core Trawler Arm will take whatever you can throw at it for years to come.

## Features
