

Core Floor Power Rack

Description

Our Core range live up to their name, by being at the Core of what every gym needs.

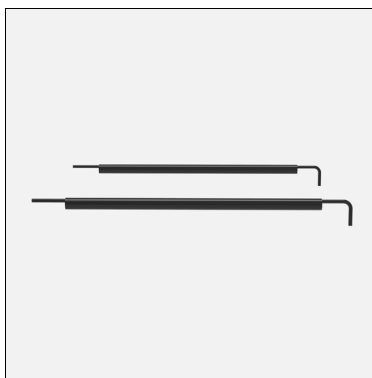

The Core Floor Power Rack is the perfect rack for any gym from home gym to commercial. With it's compact design and solid base, the CORE Floor Power Rack is only 1.25m x 1.25m allowing you to save space and easily move the rack around as needed. Compatible with all of Bench Fitness' accessories, the Core Floor Power Rack is space saving solution that can do it all.

Built Strong as only Bench Fitness can, the Core Floor Power Rack will take whatever you can throw at it for years to come.

Rack must be bolted to the floor.
