

Core Pro Power Rack

Description

Our Core range live up to their name, by being at the Core of what every gym needs.

The Core Pro Power Rack is the perfect rack for any gym from home gym to commercial. Built Strong as only Bench Fitness are able to do, the Core Pro Power Rack has fully adjustable J-Hooks and safety arms. The Core Power Rack also includes a standard horizontal pull up bar and multi-grip pull up bar.

With the additional uprights and plate storage pins on the Pro model, this power rack is any a strength gyms must have.

The Core Power Rack is compatible with the huge range of Bench Fitness attachments turning The Core Power Rack into a complete training solution.
