

EXCEED Seated Incline Bench Press

Description

Elevate your upper body workouts with our Exceed Seated Incline Bench Press. The adjustable seat height, back rest angles and handles allow for a comfortable and customized fit, while the incline design targets your upper chest and shoulders. Built Strong with safety and stability in mind, the Exceed Seated Incline Bench Press also comes with added plate storage making it a great addition to any home gym or commercial fitness facility. At Bench Fitness, we strive to exceed expectations, and our Exceed Plate loaded machines exemplify this philosophy. You can customize the complete range of machines with an extensive range of colors and even add your own branding for a personalized touch. Additionally, all Exceed plate loaded machines are compatible with our REVOLVE band pegs, which can help you take your workouts to the next level.
