

EXCEED Shoulder Press

Description

Achieve strong and defined shoulders with our Exceed Seated Shoulder Press. The Exceed Shoulder Press' adjustable start position and handles allow for a comfortable workout for athletes of all sizes. The adjustable handle angles will enable you to hit your shoulder muscles at all angles. Built Strong with safety and stability in mind, the Exceed Seated Incline Bench Press also comes with added plate storage making it a great addition to any home gym or commercial fitness facility.

At Bench Fitness, we strive to exceed expectations, and our Exceed Plate loaded machines exemplify this philosophy. You can customize the complete range of machines with an extensive range of colors and even add your own branding for a personalized touch. Additionally, all Exceed plate loaded machines are compatible with our REVOLVE band pegs, which can help you take your workouts to the next level.
