

# EXCEED T Bar Row

## Description

Build a stronger back and upper body with our Exceed T-Bar Row. The Exceed T-Bar Row comes with swivel handles that provide a comfortable and secure grip and adjustable handle widths so you can perform narrow to wide pulls. We worked with top level bodybuilders to perfect the design to target multiple muscles for an effective workout. The compact and durable construction makes it a great addition to any home gym or commercial fitness facility. Whether you're a beginner or an experienced lifter, the Exceed T-Bar Row is perfect for taking your training to the next level.

At Bench Fitness, we strive to exceed expectations, and our Exceed Plate loaded machines exemplify this philosophy. You can customize the complete range of machines with an extensive range of colors and even add your own branding for a personalized touch. Additionally, all Exceed plate loaded machines are compatible with our REVOLVE band pegs, which can help you take your workouts to the next level.
