

## MOTOMIX® & MOTO4PLUS

**MotoMix® 950 mL**  
7002 871 1405

**MotoMix® 3.785 L**  
7002 871 1470

MotoMix® is a premixed fuel designed specifically for two-stroke engines. It contains a perfect 50:1 mix of 93 octane alkylate fuel with STIHL HP Ultra synthetic biodegradable engine oil. Not only is this fuel better for the environment, but it will also allow your outdoor power equipment to run smoother with fewer seal, gasket or carburetor issues.

**Moto4 Plus 3.785 L**  
7002 319 0006

Moto4 is a premium alkylate fuel formulated for use in four-cycle engines. At 93 octane, this fuel contains no ethanol and is virtually free of harmful additives like benzene.

## OIL

### STIHL 2-Cycle Engine Oil

STIHL 2-cycle oils are formulated to meet the high temperatures and lean running conditions of today's innovative and technically advanced STIHL engines. All STIHL 2-cycle oils contain a fuel stabilizer for longer storage life and to prevent fuel varnishing. STIHL recommends a mix of 50:1 high quality 89 octane unleaded gasoline to STIHL engine oil. This same mix ratio should be used during break-in.

Oil is packaged in 100 mL, 200 mL, 500 mL and 1 L bottles (100 and 200 mL also available as a six-pack).

## TRIMMER LINE

### GOOD, BETTER, BEST.

#### TRIMMER LINE

STIHL offers a comprehensive range of trimmer line for all STIHL line heads. Engineered from wear-resistant and long-lasting flexible material and available in different shapes, cross-sections and diameters.

#### GOOD: X LINE

This line is designed for resistant vegetation, **X line** features a unique shape that grabs hold of grass and weeds and cuts them clean. **X line** is also flexible over time and resistant to welding and high temperatures. Great for homeowners and professionals alike.

#### BETTER: PREMIUM LINE (ROUND)

This high-performance trimmer line is manufactured to fit all STIHL and competitive line trimmer heads using a custom blend of polymers. It's an excellent "multi-purpose" line, designed to hold up under a wide range of cutting conditions.

#### BEST: CF3 PRO CARBON LINE

STIHL's **CF3 Pro Carbon trimmer line** is a favourite amongst both professionals and homeowners. Its polyamide blend, twisted configuration and carbon reinforced core allows the **CF3 line** to last three times longer than conventional trimmer line.

## SERVICE KITS

### HELP EXTEND THE LIFE AND PERFORMANCE OF YOUR STIHL POWER TOOLS.

Regular, proactive maintenance can increase the reliability and lifetime of any outdoor power tool. The wide selection of **service kits** will allow you to easily and effectively perform routine maintenance tasks, making sure your STIHL power tools run smooth and are ready to work when you are. The kits will fit STIHL's most popular equipment models and are sure to appeal to a wide array of customers, both professionals and homeowners.

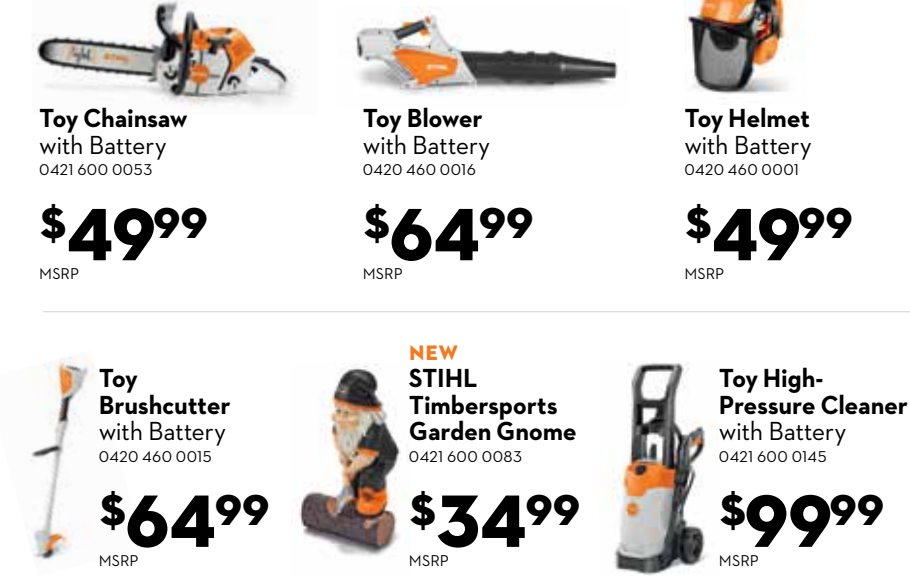

See your STIHL Dealer for full range of service kits available.

## 24 DIFFERENT KITS
